

## Statement of Shelf Life & Expiration Dating

Effective: March 26, 2018

Re: Shelf life and expiration information for Agee WristJack® (CFD-147),  
Digit Widget® (DWD-232) and TurnKey FCS® (FCS-400)

The external fixation devices (CFD-147, DWD-232 and FCS-400) manufactured by Hand Biomechanics Lab are temporary, non-active, single-use only implants. These products are labeled with an expiration date.

If the expiration date has passed, re-sterilization instructions for each device are available on our website at [www.handbiolab.com](http://www.handbiolab.com).

Please call Customer Service with any questions or concerns (800-522-5778).
